1. Your price. For the 12 months beginning on the start date, Best Bubbles will wash and fold eligible laundry for \$1.65 per pound, with pickup and delivery included. The current regular price is \$2.00 per pound. Laundry is weighed on our scale when received, before washing.

2. Commercial-account offer. A qualifying new commercial account that signs this agreement on or before its first pickup pays \$1.00 per pound for its first 200 cumulative pounds of eligible laundry. After 200 pounds, the \$1.65 rate automatically applies for the remainder of the term. An order crossing 200 pounds is split between the two rates. Unused introductory pounds expire on the end date. Limit one commercial offer per business. Household accounts are not eligible for this offer.

3. Household-account offer. A qualifying new household account receives 20% off its first eligible order only when that order weighs at least 25 pounds. The discount is applied to the per-pound rate selected for that order. Household accounts do not receive the \$1.00-per-pound commercial offer. Limit one household offer per household.

4. Covered items. The per-pound prices apply to regular wash-and-fold laundry. Comforters are priced by the piece: Twin/Full \$17, Queen \$20, and King \$25; add \$6 for down alternative. Rugs, mattress pads, dog beds, oversized bedding, and specialty items are quoted by size. Per-piece items are excluded from promotional pricing. Discounts cannot be combined unless Best Bubbles agrees in writing.

5. Our service. Laundry is washed twice - a pre-wash and a main wash - using Gain, Tide, or Tide Hypoallergenic. Best Bubbles aims for an average 24-hour turnaround for laundry received before 3:00 PM. Turnaround is a service goal, not a guarantee, and delays beyond our reasonable control are not a breach.

6. Your responsibilities. Bag the laundry and have it ready at the agreed location. Remove valuables and disclose stains or special-care instructions. Best Bubbles may refuse or charge more for hazardous laundry, including items affected by mold, bed bugs, lice, chemicals, or heavy bodily-fluid soiling. Rates are not transferable and may not be used to resell the service.

7. Payment. Payment is due at delivery unless otherwise agreed in writing. Best Bubbles may pause future service while a balance remains unpaid. Any undisputed balance not paid within 7 days remains due even if service is suspended or this agreement is terminated for cause.

8. Care and damage. Normal washing may cause shrinking, fading, color bleeding, or wear, particularly where items have weak seams, existing damage, or unsuitable care labels. Best Bubbles is not responsible for those conditions, stains that do not come out, or valuables left in pockets or bags. Claims must be reported within 48 hours of delivery. For loss or damage caused by our error, Best Bubbles may repair, replace, or reimburse fair used value, up to \$100 total for one order. Nothing limits responsibility that Virginia law does not permit us to limit.

9. Complete term; no convenience cancellation. This agreement is a firm 12-month price agreement. Neither party may cancel it merely for convenience before the end date. The customer is not required to place a minimum number of orders or submit a minimum monthly weight; however, stopping orders does not cancel the agreement or change amounts already owed. The 25-pound minimum applies only to eligibility for the household first-order discount.

10. Termination for cause. Either party may terminate for a material breach that is not corrected within 10 days after written notice. Best Bubbles may terminate immediately for nonpayment, fraud, threats or abusive conduct, repeated missed pickups, unsafe or hazardous laundry, unlawful use, or another serious safety concern. A customer retains any nonwaivable termination right provided by applicable law. Ending for cause does not erase payment obligations for completed or accepted orders.

11. End of term. The agreement ends automatically on the stated end date and does not renew automatically. Afterward, the regular price then in effect applies unless the parties sign a new written agreement.

12. General terms. Virginia law governs. Any dispute shall be brought in a court with proper jurisdiction in the City of Chesapeake, Virginia. This document is the entire agreement. Changes must be in writing and accepted by both parties. If one provision is unenforceable, the remaining provisions continue. Electronic signatures and counterparts are valid.

13. Taxes. Wash-and-fold services are not subject to Virginia retail sales tax.

By signing below, both parties confirm that they have read and agree to the complete 12-month term.
